Lorena,

Please submit the first draft of the MDP and ER with the numbers you have. The numbers may change but we need to get the text portions of the MDP and ER documents reviewed. The finalized data can be entered when it is completed.

Hi Rick,

We were just finalizing the last Port of Los Angeles parcels for accuracy. We've been working with Dennis Rader. The Port engineer is working on those now. I have expressed a sense of urgency that they complete this asap.
